Straight from the factory to you

MAURITIUS

The Holiday Factory is a little bit younger, a tad faster and has a refreshingly different approach to travel; this difference is reflected in the way we source and package our holidays, how we operate and ultimately in the way we service our travel agent partners. At The Holiday Factory we offer exceptional value for the following reasons:

- Our bonus offers really do add up to savings, it's well worth doing the maths.
- We have excellent relationships with suppliers, which means flexibility, availability and the best deals.
- Our professional product managers critique every hotel, giving you peace of mind that there are no hidden surprises. As a wholesaler, having this hands-on expertise in-house is a great advantage when customers are looking for specific advice or recommendations.
- Our website has a vast array of packages to choose from but if you are looking to plan a more complex itinerary, please do not hesitate to speak to one of our consultants who will gladly help you.
- Our advanced systems ensure faster quote turnaround and booking processing time.
- Our documentation is always beautifully presented, which may not be a big issue but at The Holiday Factory we often say that the devil is in the detail.
- Our 24/7 Emergency contact number means you are never out of touch with The Holiday Factory in case of an emergency.

Brochure Operations First

Albeit almost all of us take to the web to help plan our holidays, and our website is exceptionally cool at www.holidayfactory.co.za, this brochure offers a quick, at-a-glance overview of the **best value resorts**, all the important hotel features highlighted by the icons and our personal opinions of why each resort has been selected to feature in this brochure.

Factory Style Surfing

There are travel websites and then there is www.holidayfactory.co.za. It's informative without being information overload, it's easy to navigate, it looks beautiful and the search functionality is super-fast and very comprehensive. The search engine is specifically designed to allow you to rapidly narrow down the host of options in the least possible time and find the products in The Factory that work for you. So let's get surfing!

Travel Tips from The Factory Floor

- Plan, book and pay for as many elements of your holiday before you travel; transfers, tours, extras etc. are far more expensive when you buy them at your destination.
- Because South Africa is not the biggest tourism market for a country, access to inventory is often difficult in peak seasons so it pays to book as early as possible.
- When it comes to pricing, please understand that we live in a country whose currency fluctuates regularly, and our suppliers are prone to changing pricing frequently.
- We appreciate that your holiday is a substantial investment, but please seriously consider purchasing comprehensive travel and medical insurance – it really does give you peace of mind.

About Mauritius

It doesn't matter who you are or what you are looking for; vibe, tranquillity, action, relaxation, budget or super-luxury, family or honeymooners, young or old; Mauritius has something for you.

We could give you the usual line about a 'sparkling jewel in the Indian Ocean' or how it is an 'island paradise' but, while it is certainly both these things, it is so much more. It is a place where you make new friends; not only with the people of the island, but with the island itself, which offers up her bounties without reserve for everyone to enjoy.

It's an island where life moves at a different pace, moving as slowly as the mighty ocean that caresses its shores. Water is an indivisible element of Mauritian life and your holiday can hardly be complete without exploring its riches, above and below the surface. Nature, also, has been allowed to thrive at its own pace and presents a unique and rich diversity not normally found in such a small area.

Past and present live in complete harmony. Island history is rich with different cultural influences, all of which have added to the multitude of colours and tastes, styles and atmospheres, from the bustle of Grand Baie and Port Louis to the solitude of the many palm-fringed beaches and the majesty of the inland mountains.

As one of the world's top luxury tourism destinations, Mauritius received the World Leading Island Destination award for the third time and World's Best Beach at the World Travel Awards. With an unparalleled variety of natural and man-made attractions, a sub-tropical climate, clear and warm sea waters and a local population that is friendly and welcoming, it seems that we can't avoid talking of Paradise and Mauritius in the same breath.

 The hotel star ratings indicated in this brochure are certified by the relevant hotels featured and are not necessarily equivalent to South African star gradings.

Weddings & Honeymoons in Mauritius

Mauritius is the perfect setting for your wedding or honeymoon. Our range of charming intimate hideaways, luxury resorts and casual hotels offer a great variety of choice.

Honeymoons

The honeymoon benefits vary from hotel to hotel, most of our hotels offer generous discounts for the bride and loads of romantic extras like fruit baskets, a bottle of wine, a special honeymoon dinner and honeymoon gifts for the couples.

Wedding Anniversary

Celebrating your wedding anniversary? We have not forgotten you, many of our hotel partners offer special extras to those celebrating 5 years and more (in 5 year intervals).

Weddings

Let the team at Holiday Factory, together with our carefully selected hotels, plan your special day. Whether you're planning a wedding on the

beach or joining us as newlyweds to renew your vows, we'll make sure your marriage starts with a touch of magic. There are two options for an island wedding: we can either arrange a legal wedding which includes all the formalities or a renewal of your wedding vows.

Legal Wedding

The first thing to do is decide on the hotel of your choice. Once your travel arrangements are confirmed we will be able to set a date with the hotel for the actual wedding to take place. Our selected hotels offer classic wedding packages (some hotels offer this free of charge, others charge a fee) which include the services of the dedicated hotel wedding coordinator, location of your wedding ceremony and cake. This is usually a starting point for your magical day –

the dedicated wedding coordinator at each resort will take care of all the other finer details such as: hair, makeup, flowers, cakes, reception and entertainment.

You need to take care of all the legal formalities prior to your arrival in Mauritius. We will supply you with all the requirements.

Renewal of Vows

This procedure is the same as the legal wedding without the bridal couple having to visit the magistrate's court in Port Louis. The actual marriage would take place in South Africa, the renewal of vows will take place at the resort conducted by a Master Of Ceremonies. Weddings and Renewal of Vows can be conducted week days Mon – Fri excluding public holidays.

Groups & Golf in Mauritius

Groups

Mauritius is an ideal destination for groups and incentives of all sizes. With daily flight connections from Johannesburg and direct services from Cape Town and Durban, the island is very accessible. Your budget and group size would determine which hotels would be suitable within our large range of hotels. The Holiday Factory offers a specialised groups and incentive department who are experienced in handling any group request and would be able to assist in ensuring that you are offered the best possible option. Chat to one of our professionals and allow them to plan the perfect trip including flights, transfers, accommodation, entertainment and much more.

Golf

Veranda Paul & Virginie ✨ ✨ ✨

Pure love and literary inspiration; Virginie and Paul were lovers. When Virginie drowned on the sailing ship Saint Geran off Mauritius' north-east coast during a cyclone, Paul was so devastated that he died shortly after of a broken heart.

The story was immortalised by JH Bernardin de Sainte-Pierre in 1787 and has become a definition of true love. And so has this adult's only resort. With wood, stone and thatch Colonial décor throughout, all rooms face the Indian Ocean and have a private balcony or terrace. For a real treat, experience the seafood dining at Le Saint Geran – the resort's a la carte beach restaurant perfectly located on a sandy pier surrounded by water – a lovers rendezvous par excellence.

Veranda Grand Baie ✨ ✨ ✨

Now for something completely different. We go on about 'location' a lot but this really is something else. The resort sits on the water's edge in the heart of Grand Baie, with all of the vibe of that amazing port town; clubs, restaurants, bars and shops bustle from morning to late at night.

The resort is set in beautiful tropical gardens and reflects the Mauritian Creole charm in its architecture, furnishings and warmth of the staff. From the beach, you look out across the busy turquoise watered bay, filled with yachts and boats coming and going.

This is a great 3-star hotel with everything you need and more; five different room categories with two privilege suites, two restaurants, bar, spa, kid's club, full range of non-motorised water and land-sports and two pools. The resort is ideally located to hire a scooter and explore Grand Baie; waterski; drink the local rum at the resort's bar watching the sun sink over the bay.

and four pools. If eating is your favourite pastime, there are seven (yes, 7) restaurants and, overall, the attention to detail that makes a family holiday so special is second to none.

There is a huge choice of rooms so do your homework and choose which works for you, your family and your pocket.

Constance Le Prince Maurice Deluxe

Now, this is 5-star deluxe. Constance Le Prince Maurice is set in 60 hectares of completely unspoilt land and is the very essence of effortless elegance.

For the ultimate experience, choose the over-water accommodation and dine in the Barachois Floating Restaurant which, at night, sits on a pool of light as the water is lit from underneath so you can watch the marine life.

This has to be one of the ultimate couples and honeymooner's destinations, but maybe you want to avoid telling your golf-playing partner about the unlimited free green fees at the two Championship golf courses. If you fail miserably, then go and pamper yourself with a signature treatment at the spa.

Solana Beach

Contemporary and relaxed and newly refurbished, could this be the best value resort in Mauritius?

Superior or Deluxe rooms over three floors all open onto the white, sandy beach and that is just as well for the sea is where all the action is! There's a huge selection of water activities to keep you occupied during the day while eating at

one of three restaurants will fill your evenings. There's even an adults only restaurant for those more romantic moments. Half-board or all inclusive packages to suit every budget but just plain good value all round.

Preskil Beach

If location is what marks out the best resorts, then Preskil Beach must be right up there with the very best of them.

Only ten minutes from the airport, you might as well be a million miles away as you relax on a secluded, private peninsula with the most beautiful views of land and sea.

Four categories of room have either garden or sea views so you can choose the perfect setting for you. There are more activities on land and water than you could complete in a month of Sundays and the dining is second to none. They say you get what you pay for; well, at Preskil Beach, you get so much more than that.

The Residence Mauritius 🌟🌟🌟🌟🌟

Ask the many repeat-visitors and they will tell you the infinite attention to detail singles out this resort.

Even with all its luxury this hotel is still very much ideal for a relaxed holiday and is fantastic for families. There is butler service for all rooms, which adds to the character of this colonial style hotel.

Want some great activities – have dinner in the Plantation Restaurant for the ultimate food experience; take a long walk on the white sands of the famous east coast of Mauritius, or a soothing treatment in the Spa, The Sanctuary, with its range of Carita products and treatments.

Shanti Maurice – A Nira Resort 🌟🌟🌟🌟🌟 Deluxe

Not only do we love this hotel, but it seems that the stars do too; Bryan Adams and Kylie have both stayed here (but not at the same time, in the same room).

Sophistication and elegance are what makes this hotel special and all you have to do is lean back and bask in the calm and peaceful atmosphere. This is the place to come if you want to get away from it all. Take the kids by all means – they'll be well catered for - but why not let them spend some quality time with the Grandparents and treat

yourselves to that romantic holiday you've always talked about? With ocean views and private pools for each villa, you might not feel the need to do anything but, if you can tear yourselves away from the bedroom, there is everything you could possibly want; the most beautiful spa and an amazing selection of restaurants and dining experiences. If you're feeling really energetic you can play golf or tennis or mess around in the water and, at the end of the day, relax with a cocktail, watching the sun sink over the horizon. You've never been so close to paradise.
