

**40 minutes by seaplane brings you to this firm favourite with South African holidaymakers.** A large (by Maldivian standards) and vibey resort which caters for every taste; basic accommodation or luxury villa with Jacuzzi; lots of activities or simply lounging on the beach or by the pool. A six-hole par 3 golf course is a first for the Maldives and the Pro Divers PADI 5-star facility is one of the best dive schools in the region. The whole resort has a small town atmosphere to it and is equally great for families or a romantic getaway. No less than 7 restaurants and 8 bars cater for every taste and what could be better than a cocktail while watching the star-filled night-sky.
