### Stone Town and Spice Tour

*An insight into Stone Town's main sights and the local life at a spice farm village.*

In days past, Zanzibar was known as a spice island, exporting cloves, vanilla, nutmeg and cardamon across the world. The spices were brought over from Asia and South America and flourished into the tropical Zanzibar climate. Today the plantations are a tribute to the island's past – walk through the spice farm with your guide whilst you touch, smell, and taste different spices and tropical fruits. A visit to a spice farm village gives you an insight into local life and the opportunity to try some Swahili dishes.

## Safari Blue

*Unwind on this amazing snorkelling trip*

Being in Zanzibar, setting sail in a traditional dhow could be one of the highlights of your trip. This trip starts from Fumba, the perfect starting point to explore Menai Bay, an official Conservation Area. Home to beautiful uninhabited islands, the area is stunning, frequented by humpback and bottlenose dolphins. On arrival at Fumba, clients are given a briefing on the Safari Blue adventure. Dolphins are sighted on approximately 90% of trips. Anchor is dropped at the Kwale sandbank where sunshades are set up and guests have the chance to go snorkelling in the coral reefs helped by the guides. After snorkelling guests are offered refreshments before heading back to Kwale Island for lunch under the tamarind trees. Drinks are served throughout the day and lunch is a buffet of grilled fish, lobster, calamari, chicken, and rice, with a sampling of tropical fruits in season. After lunch, you can sunbathe, snooze, or visit the beautiful mangrove lagoon where, depending on the tide you can laze by taking a swim in the warm waters of the lagoon. For the adventurous, join the crew to sail in a "ngalawa" (a local outrigger canoe). After this its back to Fumba around 5:30pm.
